Important points

1. Responsive App/ website

2. Easy to login, sign up

3. Easy to use, find content (as simple, as possible)

4. Easy to upload /LAUNCH(vipa ,videos, image, pdfs, audio) for creators

5. Content uploading should be as simple as possible

6. TRENDING page (we will choose from our creators) not algorithm based

7.we will give RATINGS out of 5* to (Creators, courses, books,

8. Group study (GROUPS,...

10. Admin should have only imp features (Content, website/ app, management)

11.Admin ko content upload nhi karna hai

12. Beta version, at the time of prelaunching (We need maximum features, all small features) (Remaining final LAUNCH- ke time…

12. PROFILE differentiate options (STUDENT, teacher, institutions)

13. Videos qualities & Sizes

Baaki hum banate time discuss karenge
